ON COURSE.....SIR KNIGHT ROGER SALES

The holidays are behind us and we are once again starting a new calendar year. Our Honor Guard schedule is light (so far) for January and February. Keep in mind that Easter will come early this year and that is when our schedule will pick up, so please be prepared!

We will be soliciting nominations for the offices within our assembly. A nominating committee will be appointed at our January meeting and the slate of nominees will be presented at the April meeting. Any brother Sir Knight that wishes to “stand for election” should make their wishes known to any of the committee members. Everyone is encouraged to seriously consider serving our assembly as an elected officer.

All Sir Knights who have “Keep Christ in Christmas” magnets are asked to bring them and all monies collected, to the January meeting (January 9, 2008).

My year as your Faithful Navigator is now one-half done. I thank all of you for your support and hard work during this period. I ask that you all continue to do so for the rest of this Columbian year.

Vivat Jesus
Your Faithful Navigator
Sir Knight Roger Sales

Very **Interesting** Stuff:

In the 1400's a law was set forth in England that a man was allowed to beat his wife with a stick no thicker than his thumb. Hence we have "the rule of thumb."

Many years ago in Scotland, a new game was invented. It was ruled "Gentlemen Only...Ladies Forbidden" ... and thus the word GOLF entered into the English language.

In English pubs, ale is ordered by pints and quarts...So in old England, when customers got unruly, the bartender would yell at them "Mind your pints and quarts, and settle down." It's where we get the phrase "mind your P's and Q's."

Every day more money is printed for Monopoly than the U.S. Treasury.
