## BINGO \* BINGO \* BINGO

Our latest Sunday evening Bingo venture is generating huge returns for the Club. The facilities (across from Landmark Lanes) are very nice and the people are great to work with. This project going forward should generate adequate revenue to financially assist us in our operations, eliminate the mortgage, and generate funds to meet our charitable goals. You can help. We've setup teams so that nobody has to work more than one Sunday night per month.

## Step UP — Help us Out Join one of the teams.

## Financial Secretary Report

By: John Martin

We're in the final hours of qualifying for another Star Council Award. To receive this award we must qualify for the Columbian Award. This award is given to Councils who have performed in four major areas of activity. We have qualified for that award. We must also achieve the Fr. McGivney Award which requires a 5% increase in membership. We are currently 5 members short of that goal, but expect to achieve it at the June First Degree ceremony. Finally we must achieve the Founders Award which requires us to sign up six new Insurance members by June 30th.

To achieve this award, we need 5 new members who have no insurance with the Knights of Columbus to step up and buy either a whole life policy, an annuity policy, or long term care policy. If you don't have KC Insurance, please call our General Agent, Harold Maloney at 676-8385.

You will be helping not only yourself but this Council.

### KNIGHT OF THE MONTH Lee Williams

Congratulations to Lee Williams for being named Knight of the month at the April Council Meeting. Lee will be sworn in as Deputy Grand Knight on June 26. He has served as membership chairman, Chancellor, volunteers at various functions, and was the Knights of Colum-
