Grand Knights Report

By Lee Williams, Grand Knight

Brother Knights, thank you for your help and dedication to making the 2010 Intellectual Disabilities drive another blessed event. We have collected close to \$7000 before we finish up with the sales at our Parishes.

The Soccer Challenge was held at Detweiler Park on the 18th of September and was great fun for those who helped and participated. Last years local champion Joe Minneci who placed second in State was edged out by Noah Maddalozzo in the 10 and 11 year old division. It was a close contest and required a double shoot out to break the tie score. We congratulate Noah and wish him Success at the District meet.

We need help for the free throw contest which will be upon us shortly. What about a parent who will take on the duties of Youth Director? We have the programs but need the people. Contact Lee at 692-9696 x 104.

The KC Squires reported on their last meeting on 9-12-10. They have been recognized at Notre Dame High school as an official club of the school. Thank you for all your help with the ID Drive.

An Act of Kindness

Lights have been added to the Grotto. At this time the donor remains anonymous, but I would like to thank this generous donor for his/her generosity for the enhancement of our Grotto.

Email addresses requested

We are in the process of updating the Council and Auxiliary email list and plan on expanding its use to enhance the communications between the Council and its members and auxiliary members. Email blasts offer us great flexibility at literally no cost to reach everyone for important communications on a very timely basis.

Over the next few weeks we will be reaching out to all members in an effort to determine email addresses for everyone. For those members who do not have email, we would like to have an email address (a family member or friend) so we can reach them with information that can't be sent out quickly enough via U.S. Mail.

If you are aware of any KC member who is not receiving our communications via email, please reply to Paul Sullivan. Email address: paul@oncallmanagement.com
